The Doctor, believing that the Great West will, in the near future, develop into a populous and wealthy country, has decided to locate permanently, and to establish the most complete MEDICAL AND SURGICAL INSTITUTE in America at

FOR ANY

FEMALE DISEASES

That he cannot cure, when claiming to. The Doctor has had such an extensive practice that he usually can tell a woman her many troubles WITHOUT ASKING A QUESTION—SIMPLY BY LOOKING AT HER.

There is not one case in one hundred that cannot be relieved and cured in a few weeks, and yet there are few women who are not afflicted with one or more members of this vast army of disease and death. Among the most important may be enumerated: DISPLACEMENTS, Inflammation, Erosion, LEUCORRHEA, Painful, SCANTY and irregular Menstruation, NERVOUS and GENERAL DEBILITY, BARRENNESS, etc., and many well-known symptoms. Uterine Cancer and Ulceration, Displacements, etc., can henceforth be cured at your homes. You need not go East to suffer from the old and unscientific treatment of the knife, pessaries and bungling and unnatural instruments yet in vogue with the old school practice of ten or fifteen years ago. WILL VISIT YOUR RESIDENCE when desired, and thorough examinations made when necessary.

ONE VISIT only is required in a majority of chronic diseases. First visit low price. The Doctor does business on the square, and will tell every patient a NEAR THE TRUTH as possible. If the Doctor believes that your case can be greatly improved or cured, he will tell you so, and if not he will not take your case under treatment. Hundreds of Western testimonials to be seen at the office already.
